why we're different

- 1. We come to your school:** We offer all students, regardless of background or prior experience, specialist instrument lessons right on school grounds. That means less travel time for busy families.
- 2. We're affordable:** Our lessons are around half the price of private tuition. We also supply all the instruments during class, taking the burden off having to buy one right away.
- 3. Learning is fun:** The customised curriculum is set in a fun environment, focusing on music reading, playing, arranging and performing to help build skills and self-esteem - with lots of fun competitions and awards throughout the term.
- 4. Glowing reviews:** The award winning Music Bus program has received positive feedback from the Dept of Ed and NSW Creative Arts Department – not to mention from countless parents and Principals in your community.

purchasing an instrument for your child

While The Music Bus provides all instruments on the bus, we do recommend having an instrument at home for practice if possible. Having an instrument at home is the best way to help your child master their musical skills. For your convenience, we have now partnered with Musos Corner, one of Australia's most trusted and experienced music retailers for over 50 years. Together, we have chosen an entire range of instruments that we believe are the best choice for our students. Simply visit:
