Guidance	Action to mitigate the introduction and spread of COVID-19
Physical distancing and limiting workplace attendance	

Guidance	Action to mitigate the introduction and spread of COVID-19
<p>Establish a system to screen employees and visitors before accessing the workplace. Employers cannot require employees to work when unwell.</p>	<p>Upon arrival at the campus or office staff, students, visitors and contractors to be reminded to 'stay home if unwell'. They will be asked to confirm if they or anyone at home have:</p> <ul style="list-style-type: none"> – Experienced fever or flu-like symptoms, such as coughing, sore throat and fatigue. – Experienced shortness of breath. – Been in close contact with someone who has returned from overseas in the last 14 days. – Been in close contact with someone with a confirmed case of covid-19. <p>If upon arrival or during the day anyone exhibits COVID-19 symptoms, they will be immediately isolated. An incident report will be completed and the person encouraged to self-isolate until they can be tested and receive the result. Staff and visitors are being reminded to remain hypervigilant in maintaining good personal hygiene.</p> <p>For more information: School Operations Guide (Term 1).</p>
<p>Establish a system for managing visitors and large events</p>	<p><u>Visitors - General</u></p> <p>Limitations who can visit school premises no longer apply, however school activities involving visitors will comply with the density limit of one person per two square metres to any spaces and activities being attended by parents/carers and other visitors.</p> <p>Visitors to school grounds must comply with physical distancing and face mask advice set out in the Operations Guide, and practise good hand hygiene.</p> <p><u>Events such as school fetes</u></p> <p>A public event is defined as an organised public gathering for a common purpose, which is conducted on a one-off or periodic basis, open to members of the public, publicly announced or advertised, and may be subject to specific license, approvals or permits. Any activity that meets this definition will be required to comply with the Public Events Framework.</p> <p><u>Graduation ceremonies and other large gatherings (such as liturgies)</u></p> <p>Graduation ceremonies and large gatherings involving external guests are subject to an overall attendee limit being based on available floor space of the venue. The density limit of 1 per 2m² applies.</p> <p>If an event is held exclusively with students and staff from a single school outside school hours, density limits do not apply to the venue or dance floor, regardless of whether the event is held at school, hospitality venue, entertainment facility or community facility.</p> <ul style="list-style-type: none"> – The school will ensure adequate space for physical distancing and ensure supplies and signage are displayed for attendees to practice hand hygiene – Adults and secondary students over the age of 12 years will wear face masks indoors and outdoors where social distancing can't be maintained – Singing can occur with strategies implemented to reduce the risk: <ul style="list-style-type: none"> – Physical distancing – Singing outside or increasing ventilation – Short performances – Singing softly – Reducing the number of people – Those required to wear a face mask will wear one when singing indoors <p>For more information: School Operations Guide (Term 1).</p>
<p>Configure communal work areas so that there is no more than one worker per four square metres of enclosed workspace, and employees are spaced at least 1.5 metres apart. Also consider installing screens or barriers.</p>	<ul style="list-style-type: none"> – Common rooms and areas accessed by the public (reception areas) in each campus or office will be inspected and seating arrangements staggered to promote physical distancing in line with one person for every 2 square metres. – Floor marking will be introduced to maximise physical distancing. – Staff and visitors are being reminded to remain hypervigilant in maintaining good physical distancing, at all times.

Guidance	Action to mitigate the introduction and spread of COVID-19
	<ul style="list-style-type: none"> - Workstations, classrooms and reception areas will be reviewed and, wherever possible, reconfigured or modified to reduce the risk of person-to-person or person-to-surface transmission. - Shields, barriers and signage will be considered as part of the control measures. <p>For more information: School Operations Guide (Term 1). Health and safety advice for schools reference</p>
<p>Minimise the build-up of employees waiting to enter and exit the workplace.</p>	<ul style="list-style-type: none"> - Schools must implement actions to reduce the congregation of adults around the school and reduce congestion. Schools can do this through strategies such as the use of multiple entry/exit points, creating spaces for egress in different areas of the school and appropriate signage to communicate expected behaviours. - Schools must communicate the strategies in place to parents through local signage and school communications (e.g. letter and newsletter) to remind staff, students and families of the need for behaviours that support physical distancing. <p>For more information: School Operations Guide (Term 1).</p>
<p>Provide training to staff on physical distancing expectations while working and socialising (e.g. during lunchbreaks).</p>	<p>Staff and adult visitors are being briefed to follow physical distancing rules:</p> <ul style="list-style-type: none"> - Remain at least 1.5 metres from other individuals wherever possible, follow the “one person per 2 square metres” rule. - Only have one person in small work areas. - Avoid shaking hands, hugging or touching others. - Avoid large gatherings indoors. - Hold meetings outside in the open air if possible. - Always use good hand and cough/sneeze hygiene. - Eat lunch outside rather than indoors if possible. - Don't share food or drinks in the workplace. - Practise the hygiene and cleaning protocols detailed in this plan. <p>All staff on site are trained in the 'School Infection Prevention and Control During Coronavirus (COVID-19)' eLearn module on COVID-19 expectations.</p> <p>For more information: DHHS guidance on hygiene and physical distancing.</p>
<p>Review delivery protocols to limit contact between delivery drivers and staff.</p>	<ul style="list-style-type: none"> - Visitors, contractors and delivery drivers are being advised to follow sign-in, physical distancing, hygiene and cleaning protocols detailed in this plan. - Designated delivery areas are being clearly signposted at entry points to minimise contact. - Staff and visitors are being reminded to remain hypervigilant in maintaining good personal hygiene, at all times. <p>For more information: School Operations Guide (Term 1).</p>
<p>Where relevant, ensure clear and visible signage in areas open to the general public that specifies maximum occupancy of the space, as determined by the ‘four square metre’ rule.</p>	<ul style="list-style-type: none"> - Approved DHHS signage for schools and offices to be placed in clear and visible locations to promote physical distancing and good hygiene practices. <p>For more information: School Operations Guide (Term 1).</p>

Guidance	Action to ensure effective record keeping
Record keeping	
<p>Establish a process to record the attendance of customers, clients, visitors, workplace inspectors and delivery drivers. This information will</p>	<ul style="list-style-type: none"> - schools must keep a record of all staff, students and visitors who attend on-site for more than 15 minutes - Schools must record the name, contact details, date, and time of attendance at school, as well as the areas of the school that the person attended

Guidance	Action to ensure effective record keeping
assist employers to identify close contacts.	<ul style="list-style-type: none"> At the beginning of each work day, administration staff to check that visitor, contractor, staff and student sign-in records are updated for contact tracing purposes.
